

APACHE JUNCTION POLICE DEPARTMENT FRIDAY FAQ'S

Welcome to our first FRIDAY FAQ'S!

Starting today, Friday February 5th, the Apache Junction Police Department (AJPD) will begin posting "Friday FAQ's" articles on its website and Facebook page.

The goal of the Friday FAQ's, which stands for Frequently Asked Questions, is to provide answers to the most common questions posed to the department and it's officers. The topic of these articles can be anything from common traffic questions, enforcement questions, or any other question we are asked on a regular basis.

To view these articles, you can visit the AJPD website at www.ajcity.net/fridayfaqs or checkout the Facebook page at www.facebook.com/ApacheJunctionPD on Fridays!

The AJPD is looking forward to helping the public gain answers to their most commonly asked questions. They are also welcoming the public to ask us questions that we can use for these articles. These questions can be sent to the Community Resource Coordinator, Serene Carney, by calling (480) 474-5442 or by email at scarney@ajcity.net.
