Weekly Check-in: All players must initial by their name on the weekly check-in sheet every time they play. We use this sheet along with the scorecards to determine who golfed each week which helps us determine how much money will go towards each point at the end of the league. Use first & last name. Tee times can be scheduled after 12:00pm in the Winter league and after 8:00am in the Summer league. **It is up to each person/group to schedule their tee times each week with the Apache Creek Pro-Shop (480-982-2677).**

Weekly Results: Each week a bulletin board will be stationed inside the lobby with updated results from the week before and posted on www.ajcity.net/sports. Board and website will also contain any updated news and notes, a copy of the rules and contest hole locations. Please check this board each week to make sure you don't miss out on any important information.

Scoring: Scorecards must be filled out completely and turned into the pro shop with **first and last name written legibly on the card with the date**. Please make sure you properly mark any birdies, eagles or aces on your scorecard (**DO NOT MARK PARS**) and **add up your 18 hole total**. If we are unable to read your card, you won't receive credit for playing and will forfeit any points earned for that round! **It is your responsibility to turn in your card!**

- ◆ All aces, birdies & eagles must be marked accordingly on scorecards as follows:
Example: (Birdie) PAR 4 = 3 (number must be CIRCLED to be counted)
(Eagle) PAR 4 = 2 (number must be DOUBLE CIRCLED to be counted)
(Albatross) PAR 5 = 2 (number must be SQUARED to be counted)
(Aces) PAR 3 = 1 (number must be TRIANGLED to be counted)

Handicaps & Points: Handicaps will be set up using the USGA handicap formula (this can not be used as an official USGA handicap). Your league handicap will be established after your fifth round of play. It will then be readjusted each round. It is not required to golf every week as the objective of the league is to accumulate points which will be turned into gift certificate credit at the Apache Creek Pro-Shop. **You must golf at least EIGHT (8) rounds/weeks each season to earn points and qualify for the tournament.**

- ◆ Points will be given for each contest hole won plus, each birdie, eagle, albatross, and hole-in-one.
*Birdies: 1 point / *Eagles: 3 points / *Albatross: 4 points / *Ace: 5 points / *Contest Holes: 2 points each
- ◆ Point values for points after handicap:
75-79 = 1 point 70-74 = 2 points 66-69 = 3 points
61-65 = 5 points 60 or less = 8 points

Contest Holes: There will be several contest holes for each round.

*Adult Long Drive (ages 69 & Younger) / *Senior Long Drive (ages 70 & Older) / *Closest to the Pin / *Longest Putt
The hole locations of each contest will change weekly. Check the Contest Hole sheet in the course lobby for details and to see where the contest holes for the day are located.

Tees: Women (any age): hit from Red Tees
Men (ages 69 & Younger): hit from White Tees
Men (ages 70 & Older): hit from Silver Tees

End of League Tournament: Is the 13th week of each league, 8:00am start. Flights will be set up based on number of golfers (minimum 6 per flight) and handicap. Flights may be combined or adjusted to meet the needs of the program. Awards will be given to 1st place of each flight and to the contest hole winners of the day. Point earnings will also be available in the Pro-Shop following the tournament. Earnings are only valid in the Apache Creek Golf Club Pro-Shop in the form of gift certificates. Lunch is included following the tournament.
