The owner or registered design professional in responsible charge has retained \_\_\_\_\_ a registered design professional to be responsible for the special inspection(s) noted herein.

Signature \_\_\_\_\_ Print Name \_\_\_\_\_ Date \_\_\_\_\_

Relation to project: \_\_\_\_\_

### CERTIFICATE OF RESPONSIBILITY

(To be filled out by registered design professional responsible for special inspection before permit is issued)

I certify that I am familiar with the design of the above named project and in accordance with Section 1704 of the International Building Code and I hereby assume full responsibility for carrying out the required Special Inspections. Inspection reports will be filed with the Building Official, as required by Section 1704. The company(ies) named below will provide special field inspectors under my direct supervision and will be on the job site to render competent inspections.

**Seal, Sign, & Date**

Type of work (see Section 1704)	Name of Inspection Company

### CERTIFICATE OF COMPLIANCE

(To be sealed by registered design professional before a certificate of occupancy is issued)

I certify that to the best of my knowledge, the requirements of the International Building Code and the approved plans and specifications have been complied with, insofar as the portion of the work requiring Special Inspection under Section 1704 is concerned, except for those deviations previously reported. A guarantee that the contractor has necessarily constructed the building in full accord with the plans and specifications is neither intended nor implied.
